

Texture. Tightening. Toning. All in one treatment.

- Reduce wrinkles
- Achieve smoother skin texture
- Even skin tone
- Little down time, "lunch time" treatment
- Tighten loose neck & facial skin
- Quick, visible results

Introducing Syneron Candela's eTwo

Bi-polar radio frequency for full facial rejuvenation.
Exciting product launch.

Take advantage of this amazing package for a short time, receive the following exclusive offer and look younger and feel great. This is 4 months of treatments, as time goes on even after the treatments have ended it is still working away underneath the skin to produce new collagen and elastin. Wow
